

**Declaration of Conformity to REACH Regulation (1907/2006/EU Article 33)**  
**Declaration of Conformity to RoHS II Regulation (2011/65/EU)**

Dear Sir or Madam,

our products comply with the RoHS II Directive (2011/65/EU) in its current edition including all delegated directives (supplements), e.g. 2015/863/EU.

The products also include components that contain lead above 0.1% by mass and thus make use of exemptions 6a, 6b and 6C in Annex III.

According to REACH Regulation 1907/2006/EU Article 33, we are obliged to inform you without being asked if SVHC substances (Substances of Very High Concern) are contained in our products delivered to you in a concentration of more than 0.1 mass percent.

Since lead is contained in our products, we hereby comply with this notification obligation.

It has been agreed with our suppliers that only REACH and RoHS compliant products will be delivered to us. If the conformity is not complied with, our suppliers are obliged to inform us immediately.
